

May 30, 2020

Hi Rumford Little League Families!

We have some great news for getting our season started.

Beginning on June 1st, our older divisions (**Seniors, Juniors, Majors and Minors**) will begin practicing.

Tee ball and Farm divisions are currently delayed and will be reevaluated at the beginning of the Governors Phase 3 Reopening RI plan. (<https://www.reopeningri.com>)

We have put together a plan that meets all state and city requirements and modeled by the CDC recommendations.

There will be changes to how we normally operate, with some responsibilities being on the parents/guardians that are summarized below:

- Parents will be required to register (Free) on our newly redesigned website (rumfordll.com) and accept the policies and waiver. (There is obviously no fee associated with this).
- All players must have their own equipment (Helmet, Bat, Glove, etc)
 - If you are not able to acquire any of these please let your coach know and we will work with you to get what you need.
- Players will not be allowed to chew gum or sunflower seeds during games and practices.
- Parents will be required to fill out a Questionnaire form (in Digital form) prior to **ALL** practices and games.
 - The coaches will be able to see the results from the Questionnaire in realtime and will not allow a child to play if the form is not completed.

For complete information on these items and other changes please visit rumfordll.com/2020season

We believe that we can get our season started while keeping our kids safe but we will need parent/guardian help to make this a success more than ever.

If you have any questions or concerns please reach out to your child's coach, our league president (president@rumfordll.com) or any of our board members. (rumfordll.com/board)

Sincerely,
Rumford Little League Board of Directors
